

**Adopt an Apartment**

**We will stage our 16<sup>th</sup> apartment on MAY 20. Volunteers meet in church parking lot at 10:30am.**

*Questions? Contact organizer Liz Schultz via our church office.*

The Community Care Ministry has been collecting items to fill our **Sixteenth Apartment Kit** for the Adopt-An-Apartment initiative, which provides basic supplies for families moving out of homelessness into Shelter Care apartments. Bedroom, kitchen, bathroom, cleaning products, and other household items are posted on our bulletin board display for donation. When a full kit is assembled, Spring Creek UCC volunteers load all items into the first available apartment to give the families a helping start toward self-sufficiency. The families are free to take these items with them when they move on with their lives.

Thanks to items supplied by our SCCRummage Sale donations, we have completed kit #16 and Shelter Care has assigned us an apartment to furnish. Contact Liz Schultz if you would like to be part of the crew!
