

**Our SIXTEENTH apartment was completed on May 20!**  
Thanks to all who donated supplies and/or helped with the staging.

**Organizer Liz Schultz • 815-742-4070**

*The Community Care Ministry has completed our **SIXTEENTH APARTMENT** for the Adopt-An-Apartment initiative, which provides basic supplies for families moving out of homelessness into Shelter Care apartments.*

Bedroom, kitchen, bathroom, cleaning products, and other household items are posted on our bulletin board display for donation. When a full kit is assembled, Spring Creek UCC volunteers load all items into the first available apartment to give the families a helping start toward self-sufficiency. The families are free to take these items with them when they move on with their lives.

We love partnering with Shelter Care to make this Community Care initiative happen. Contact Liz Schultz if you would like to be part of the staging crew!
